## **Move-Out and Repair Charges**

Shown below is a list of itemized charges for the most common tasks we have to perform when tenants move out and leave their dwelling in need of maintenance. Please note that these charges are averages. Sometimes the actual prices are higher, and sometimes they are lower, but most of the time they are exactly as shown. We provide allowances for normal wear and tear, and for the length of time an item has been in use. Replacement charges include parts and labor.

For additional items not found on this sheet a fee of \$20.00 per man hour for cleaning and \$35.00 per man hour for repairs will be charges as per lease.
